

A Prayer Card For Couples

Supporting couples

This card, intended for a couple who are about to get married, includes a prayer and a Bible verse. There is space for the name of the bride and groom to be handwritten. There's also a second card, for the couple's family and friends, inviting them to pray for the couple as they begin their married life together, which could be given out at their wedding.

Any member involved in supporting people as they prepare for marriage could give out these cards, but do please confer first with the clergy, before distributing them.

The cards are available from Mothers' Union, priced £1 for 10 copies. Please contact mu@themothersunion.org for more details.
