

Books of Comfort

Encouraging faith (St Eds and Ips)

These books of comfort provide inspiration and support to individuals and families. At some point in our lives, most of us will experience a difficult time, and these books of comfort are intended to offer support, and a reminder of a God who loves us and sustains us.

The books of comfort, put together by groups of members, include:

- Prayer cards
- Book marks
- Comforting pictures.

A hospital chaplain being presented with books of comfort

Initially these books of comfort were provided for patients in a local hospital, but since then, the books have been offered and gratefully received by people experiencing all sorts of tough times.

For general guidelines about setting up and developing outreach initiatives, go to the members' section of the Mothers' Union website www.themothersunion.org
