

Hand in Hand

Encouraging faith

Hand in Hand is a booklet that aims to help families enjoy faith as a family. There's also a series of practical ideas sheets that families could use, which can be downloaded from the Mothers' Union website www.themothersunion.org

Are there families you know who might like a copy? Are there members you know who are in touch with families who might like to know about this resource?

Could it be offered to parents coming along to a Mothers' Union parents' group?

Share the booklet and resources with the parish priest – how might the church use and distribute the booklet? Could it be given to parents when their child is baptised?

The booklet costs £2 per copy including P & P, with a discount for bulk orders. Email Mothers' Union on mu@themothersunion.org or telephone 020 7222 5533.

For general guidelines about setting up and developing outreach initiatives, go to the members' section of the Mothers' Union website www.themothersunion.org
